

Friends,

Today is a pivotal day for the US. No matter the result, it is important that we unite to build a better future. Entrepreneurs made this country a very special place and we are excited to support them on their journey.

Always positive. Always looking forward.

US Market Entry for Fast-Growing Startups

**- Live Webcast: November 12th, 2020 at 8:00am PDT -
for Founders, Executives, Lawyers, and Investors**

Entering the US market has been a major milestone for most foreign-born startups. Though every other ecosystem always wanted to become its own version of Silicon Valley, the siren call of the biggest market for most industries and the superior network by the bay, almost always won out. The pandemic has drastically changed this calculus. Join us in a dynamic discussion on how the idea of moving to Silicon Valley has changed, as well as, the legal, strategic, partnership, and fund raising best practices involved.
