

Friends,

As the summer ends and the pumpkin spice is flooding everything around, we are starting the last quarter of this unpredictable year that brought so many changes to our lives.

With hopes for a warm and gentle October we look forward to these last couple of productive months before the festive season starts. Please enjoy the new materials that we carefully picked up for you while we will continue working on bringing more value through our services.

### **Your L2 Counsel Team**

---

We are proud to share that our client **Semarchy**, a San Francisco, CA-based provider of master data management software, received an investment from funds advised by Providence Strategic Growth, the growth equity affiliate of Providence Equity Partners in early September 2020.
